Attendance Range in Percentage	Marks
96-100	5
91-95	4
86-90	3
81-85	2
76-80	1
Upto-75	NIL

- **Subject Enrichment** - These activities are defined as the activities leading to experiential learning integrated with each subject and leading to subject enrichment of the child. Child shall be engaged in activities based on the content that connects different areas of knowledge, application and values with their lives and the world around. For example: Art Exhibition, Quiz, Poster Making, Role play, Fun with Science Activities or any other activity.

- **Portfolio** - The Portfolio is to broaden the scope of learning and achieve diverse curriculum outcomes by examining a range of evidence of student performances being assessed. It is a purposeful collection of intentionally chosen student's work representing a selection of performances that is assembled over time and describes the learner's efforts, progress, growth and achievement in key areas learning outcomes. Assessment will include self and peer assessment among others like achievement of student in the subject, reflections, narrations, etc. It holds the performance records and documents which represents a collection of their learning achievements. As a process, it enables learners to monitor their own learning systematically, reflect on their performance, redirect their efforts, and set future goals.
- **Multiple Assessment** – It is aimed at evaluating the performance of the learner more comprehensively & regularly and provide schools/ teachers flexibility to use multiple and diverse techniques to assess learners viz. observation, oral tests, individual or group work, class discussion, quizzes, concept maps, visual expressions, Listening and Speaking Skills etc as per the demand of the subject and the context towards addressing, the goal of assessment for and as learning.
- **Life Skills** - Life skills includes psychosocial competencies and interpersonal skills that help children make informed decisions, solve problems, thinks critically and creatively communicate effectively build healthy relationships, empathise with others and cope with managing their lives in a healthy and productive manner.
